Government in their Order quoted above have sanctioned the appointment temporarily for a period of one year of the following Staff in connection with the Scheme for the opening of a combined Sheep and Cattle Farm at Kurukuppi in Bellary District.

(1) One Superintendent;
(2) One Assistant Superintendent (Veterinary Assistant Surgeon);

Ref: This Office letter Roc.No.8281-III/48, dated 25-2-49.

---

The Superintendent, Kurukuppi Farm who was asked to submit a report on the suitability or otherwise of fieldman Nanda Singh to continue in the post reports that the fieldman does not possess the necessary tact or capacity to control the labourers though he is hard working and sincere and that he does not have even a rudimentary knowledge of agricultural operations. Another difficulty with him is that he can converse only in Hindustani and does not know to read or write except in Gurumukhi. He is not, therefore, useful as a subordinate attached to the Farm and he is not suitable to continue in the post of Fieldman to which he has been temporarily appointed. As the progress in the Farm operations is being hindered, it is necessary to remove Nanda Singh from the post of Fieldman at the Farm and to appoint another suitable man in his place. In the circumstances, I propose to discharge fieldman Nanda Singh from Service and request the approval of Government to this proposal.

Yours faithfully,

Joint Director of Animal Husbandry, Madras

The appointment of Nanda Singh was made on a temporary basis, as it was reported that his appointment involved relaxation of cf (A)

service rules. Dte/DAH has since found Nanda Singh to be unsuitable for this post. He was also reported by MH/DAH that there are at present no service rules relating to the terms of deputation in the AH Dept. It does not therefore appear necessary to follow the usual procedure for discharging Nanda Singh from his temporary appointment.
